Dear [Business Name or Community Partner],

As 2025 comes to a close, we invite you to reflect on the positive impact your business has made right here in Bossier Parish—and to consider partnering with Keep Bossier Beautiful (KBB) as you plan your year-end giving and community investments for 2026.

Thanks to the support of local businesses like yours, KBB has made measurable progress this year—beautifying public spaces, reducing litter, recycling cigarette waste, planting trees, and inspiring civic pride. These efforts strengthen our local economy by creating a cleaner, safer, and more attractive parish that draws visitors, residents, and new business investment. A beautiful Bossier truly benefits us all.

As you finalize charitable contributions for 2025, we ask that you include Keep Bossier Beautiful among the organizations you support. Your tax-deductible gift—large or small—will go directly toward programs that keep our community clean, green, and thriving. And as you plan ahead for 2026, please reserve a spot in your budget for Dinner Under the Stars, our premier annual event that celebrates community pride and showcases local business support.

Together, we can continue building a Bossier Parish that reflects the pride and promise of those who call it home.

Make your year-end contribution today at keepbossierbeautiful.com/donate or at the address above.

With appreciation,

Lynn Bryan
